

Azure Marketplace Supplemental Terms

Last Updated: July 15, 2024

These Azure Marketplace Supplemental Terms (“**Supplemental Terms**”) are legally binding terms governing Customer’s use of the Services set forth in the Order Form.

Capitalized terms used but not defined in these Supplemental Terms have the meanings given to them in the Agreement (as defined in the Master Terms or the preexisting signed agreement that formed the basis of the commercial transaction between Customer and OneTrust).

The Master Terms are hereby supplemented and/or amended as follows, but only with respect to Services purchased through the Azure Marketplace:

1. Notwithstanding anything to the contrary in the Master Terms, the Order Form shall not auto-renew.
2. Microsoft shall act as OneTrust’s agent or commissionaire (and subprocessor), as applicable, for the purpose of facilitating Customer purchases of Services through the Azure Marketplace. Customer acknowledges it (i) shall pay the Fees for the Services to Microsoft on behalf of OneTrust, and (ii) is ultimately responsible for payment of all Fees.

Except as set forth in these Supplemental Terms, the Agreement is unaffected and shall continue in full force and effect in accordance with its terms. If there is conflict between these Supplemental Terms and the Agreement or any earlier amendment or addendum, these Supplemental Terms will prevail solely with respect to any applicable Services purchased through the Azure Marketplace.
