

Amendments for Existing Customers

For our customers' convenience, OneTrust customers who desire to incorporate an updated [OneTrust Data Processing Addendum](#) (“**DPA**”) or who would like to incorporate the [Standard Contractual Clauses](#) (“**SCCs**”) into their current contract with OneTrust may utilize the links below to initiate the request.

Launch

Click the link to launch the SCC or DPA amendment and fill required fields to generate the contract.

Sign

Execute the generated contract to share with the OneTrust signer with a request for countersignature.

Executed Copy

Once OneTrust reviews the request & countersigns, each signer will receive the fully executed contract via email.

Amendment to Incorporate Standard Contractual Clauses

The SCC Amendment is valid for customers who have a pre-existing agreement with OT Technology, Inc., OneTrust LLC, or OT (Australia) Pty. Limited, to incorporate the Standard Contractual Clauses into their agreement with OneTrust, and is effective upon OneTrust's countersignature of the SCC Amendment.

Amendment to Incorporate Data Processing Addendum

The DPA Amendment is valid for customers who have a pre-existing agreement with OT Technology, Inc., OneTrust LLC, OneTrust Technology Ltd., OT (Australia) Pty. Limited, or OT Technology Spain, S.L.U., and is effective upon OneTrust's countersignature of the DPA Amendment.
